Thank you. I will participate in the call.

I also want to let you know that the calls between Frank Ferrara and Sang Lee were concerning a Mercedes that Frank purchased from Sang's mother. The calls between Charlie and Sang Lee were concerning construction roof that Charlie was doing with Sang Lee. They are friends.

All,

I am attaching a letter we received yesterday from counsel for Mr. Blakeman regarding his request for additional depositions. Because Plaintiffs continue to believe that the issue of the number of depositions that may be taken by both sides impacts all parties, I am forwarding this letter to you (and because it appears you were not copied on the letter). For this reason, you may want to attend tomorrow's telephonic conference with Magistrate Judge Oliver concerning this issue. The call-in information was provided yesterday via ECF.

Sincerely,
Samantha
